A Special announcement for those with an expressed interest in forming an official Clan Carr/Kerr in North America.

A Derbhfine was convened at the Carr Clan Tent at the Scottish Highland Games in Winter Springs on Saturday, January 15, 2011. For the past half-decade Margaret Gannon (Carr) Miller, her husband, Robert, their three sons, Robert, Bradley and Brent, in conjunction with other Carr family members in Florida and elsewhere in the United States, have actively participated in attendance at Scottish games in Florida: to gather interest for the formation of a Carr Clan organization for North America.

In the last three years of Scottish Games in Florida some fifty Carr members (and Sept names as well) have been recruited. This informal membership have several Carr Clan newsletters annually at no expense to the members. In past newsletters members have been advised that a Clan Carr organization would eventually be formed once enough members had expressed an interest in its formation. This membership has now expressed such an interest at the Carr Clan tent at the most recent January 2011 Scottish Games. At that time Derbhfine was convened in accordance with the its dictates, and unanimously agreed that a Clan Commander be appointed for North America's Carr's (and name derivatives).

Those at the games with whom the Derbhfine was, and others with whom it has been discussed in recent months were: Mert Hollister (Graham and Carr), Margaret Carr Miller, Barton Adams Taylor (Carr), Zoey Carr, Bradley Carr Miller, Brent Carr Miller, Judith Carr Navarro, Robert S. Miller. The Derbhfine unanimously agreed to appointed Robert S. Miller as the first Carr "Clan Commander" for North America, with responsibilities to: (1)

1. Register a North American Clan Carr/Kerr organization with the State of Florida.
2. Attend Scottish Games and events in Florida and elsewhere as possible.
3. Organize Clan Carr/Kerr participation and tents at future games.
